ASSIMILATION

Some people eat Some people eat heartily, even ravenously, yet nothing seems to "stick to their ribs". Others don't eat much, but assimilate all nutriment in the food and get fat. We have ters from people who say that letters from people who say that

Dr. Caldwell's Syrup Pepsin

makes them fat. It doesn't. It simply gets their digestive organs in shape to take the nutriment out of the foods which they eat. It also acts as a gentle laxative and tonic. Please try it.

A. C. Jones, of Hortonville, Ind., writes: "I can say for Dr. Caldwell's Syrup Pepsin that it is one of the best medicines I ever have taken; in lung sirty days after I began to take your medicine. I had gained 30 pounds in weight, felt-like a new man and I can highly recommend it to any one who is troubled with Indigestion or Dyspepsia."

ASKS DAMAGE FOR DOG BITE. Father of Child Said to Have Been

Injured Sues for \$10,000.

New York, March 14 .- "Did you ever have Jeff's teeth sharpened?" asked Lawyer Steuber of Miss Edith L. Hyslop, in Justice Dugro's court.

'Neverl" cried Miss Hyslop indignantly.

"Jeff" was a huge Newfoundland dog.

"Jeff" was a huge Newfoundland dog. Albert Hartog says the animal leaped upon his daughter and bit her through the nose and lip. In Jeff's defense it was set forth that the dog was quiet and peaceful from advanced age, paralyzed in his hind legs, suffering with rheumatism and afflicted with a cancer in the ear, which complication of diseases rendered it necessary to carry him upstairs.

Witnesses for the defense testified that the dog couldn't have sprung upon the child because he was physically unable, and that if he did, it was due to anger because the little girl touched his tender ear.

Mr. Hartog, who appeared as guardian for his 6-year-old daughter, Susanna, in a suit for \$10.000 against John Hysiop, for many years official measurer of the New York Yacht Club, testified that the dog, now dead, bit the little girl severely through the nose and lip and acratched her face. One of the wounds never healed.
